CREDIT INFORMATION AND PROCESSING OF CUSTOMER AND PERSONAL DATA	<p>Nordea Finance Finland Ltd ('Nordea Finance') processes information required for the granting and supervision of financing, including credit information. This information is obtained from the applicant, from registers maintained by the authorities, from registers maintained by Nordea Finance and companies belonging to the same group (Nordea), from organisations providing credit information, such as the credit information register of Suomen Asiakastieto Oy, and/or from other reliable sources.</p> <p>Acting as a controller, Nordea Finance processes personal data when it delivers products and services agreed on by the parties. In addition, Nordea Finance processes personal data in other situations if compliance with the laws and other regulations so requires. Detailed information on the processing of personal data in Nordea Finance can be obtained from Nordea's privacy policy, which is available on Nordea Finance's website. You can also obtain the privacy policy by contacting Nordea Finance. The privacy policy includes information on the rights related to the processing of personal data, such as the rights to access information, to rectify information and to transfer information from one system to another. The applicant must deliver the privacy policy to the people whose personal data they disclose to Nordea Finance.</p> <p>Nordea Finance discloses information necessary for the processing and implementation of this application and the financing agreement, if any, to the vendor and its assignee, to the guarantor, if any, to a party that has given a redemption or repurchase undertaking or other similar undertaking, to the insurance company that has insured the object and to the other Nordea companies. The information to be disclosed may include details of the applicant, the credit decision, the financing agreement, and the management and object of the agreement to the extent required by the processing and implementation at any given time.</p>
